

# Impact of Communism, Socialism & Nihilism: 1914 to Present

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

## Why the Pas 2:4 as the theme of this talk...

2:1 Why do the heathen rage, and the people imagine a vain thing?

2:2 The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, [saying],

2:3 Let us break their bands asunder, and cast away their cords from us.

2:4 He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

## The evil spirits know something...

Matt 8:29

Now they know the time is here.....

### We know from history that satan and the evil spirits changed their stratgey

The gospel of Satan is not a system of revolutionary principles, nor yet a programme of anarchy. It does not inspire wars and strife, but peace and security. It does not set the mother against her daughter and the father against his son, but promotes the fraternal spirit whereby the race is regarded as one great Brotherhood. **It does not seek to drag down and degrade the natural man, but to improve and uplift him. To use a popular phrase, it appeals to "the best, all that is good within us."** It aims to make this world such a comfortable and congenial habitat that the absence of Christ will not be felt and God will not be needed. It endeavors to make men so satisfied with this life that they shall be totally indifferent to the life hereafter. It propagates the principles of self-sacrifice, mercy, charity and benevolence, teaching men to live for the good of others and to be kind to all.

### Communism

## A Short **Unofficial** History of Communism and Socialism

Our Lord's Return was a huge game changer

"Has never really been tried...."

The appeal of socialism and communism

- Making a sacrifice for the good
- It is fleshy, allows people to show how great sacrifices they are making.
- It seeks to be fair
- It seeks to be loving
- It ignores the basic scriptures : He that does not work should not eat.
- It allows for people to "Lord it over" their fellows.

The socialism and Communism of our day is not real, they are a smoke screen used to hide the real intent. A way for the evil spirits to control the people.

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

## 1914

The start of WWI

Christ is starting to exercise his power, kings were losing power.

The truth movement was at its zenith – The churches were hurt

The financial system was near collapse, central banks were created.

Satan is starting to lose control of his household.

Light on all subjects are starting.

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

# Russia accepts Communism

Why

Last country to remove feudalism

Losses in the war

Lack of food

Loss of respect for the churches

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

# Communism in Russia = Evil Spirits

Who opposed communism

Christian Nations.

Papacy

Protestants in the US.

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

## The binding of satan

If satan is being bound, why is there such a large increase in sin, gross sin...

Why do we not see...

Increase in Liberty?

Less sin?

Less demonic influence?

Less despotic governments

Why are communistic countries increasing

Papacy's loss of influence and internal communism influence?

Are we looking for the wrong thing?

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

## The binding of satan

If satan is being bound, why is there such a large increase in sin, gross sin...

Why do we see all around us and increasing...

Sin normalized

The true holy things under attack

Sins against women and children

More lies than truth

Liberty being lost everywhere --- Do we not hear the Jubilee trumpet?

Are you weary yet? Do you feel like Lot? Are you vexed daily

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

## Two Scriptures to consider

Or else how can one enter into a strong man's house, and spoil his goods, **except he first bind the strong man?** and then he will spoil his house. Matt 12:29

And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness **unto the judgment of the great day.** Jude 6

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

## The binding of satan

We are to **distinguish clearly** between the restraint of the fallen angels "in chains of darkness," and the binding of Satan, who is the Prince of demons.

R4976

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

Pas 2:4

## The binding of satan

The fallen spirits seem to be thoroughly degraded in their appetites and desires....

If we get any conception of the time before the flood, we realize that the earth was full of violence. God perceived that the thoughts of men's minds were evil and only evil. And so today.

R4976

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

Pas 2:4

## The binding of satan

As to what constitutes the "house" of this "strong man" would be another matter. His "house" here would stand for his household, which at the present time would include the fallen angels. **These fallen angels**, who have been subject to Satan as their prince, will in some sense of the word **be thrown out of harmony with him**. The time at which we might expect this would be in the second presence of our Lord, and it would seem that, from about the time of our Lord's parousia, **disorder began to operate in Satan's household** and that these different endeavors that we see in many quarters to carry out **certain schemes more or less antagonistic the one to the other...**

R4609

He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

Pas 2:4

## The binding of satan

Many of the most intelligent people of the whole world have arrayed themselves, not on the side of Satan to do some evil work, **but in opposition to all the darkness and blindness.** They have not, indeed, the "true light" as we have it, but they are exercising an influence **that is antagonistic to the darkness that Satan** has heretofore used for the restraint of thought, etc.

MSGR . CARLO MARIA VIGANÒ , ARCHBISHOP

I earnestly hope that my appeal for the establishment of an Anti-Globalist Alliance that unites the peoples of the world in opposition against the tyranny of the New World Order will be accepted by those who have at heart the common good, peace between nations, concord among all peoples, freedom for all citizens and the future of the new generations.

## In Summary

Since our Lord's second presence satan's household is under attack.

Communism, Socialism and Nihilism are all being used to destroy his empire.
